NONCOMPLIANCE SUMMARY

The offender has not complied with the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
1	On May 16, 2012, the offender was charged with simple assault due to causing bodily injury to another individual by punching him in the face following an automobile accident in Orange, New Jersey. On June 21, 2012, he pled guilty to improper behavior in Orange Municipal Court and was ordered to pay \$1,158 in fines and penalties.

U.S. Probation Officer Action:

While the probation office is discouraged by Coleman's impulsive behavior, we are requesting an opportunity to address his noncompliance internally. We plan to provide him with a life skills home study workbook which covers a wide range of cognitive skills developed to assist with controlling anger and other negative emotions. We will work with Coleman to ensure he completes the assignments in the workbook. We also plan to enroll him in Moral Recognition Therapy (behavioral enrichment program). If Your Honor agrees with our plan, the probation office will also present a copy of this order to the offender as a formal written reprimand. We will advise the Court of any additional noncompliance.

Respectfully submitted,

 Jamel H. Dorsey
